

ANGEL OF HARLEM

U2

Guitar: Capo on 3rd fret - play in A, sound in C! 103 bpm

$\begin{matrix} A & D & A & D \\ |: / - - & / - + - & / - - & / - + - :| *4 \end{matrix}$

It was a cold and wet December day
When we touched down at JFK
Snow was melting on the ground
On BLS I heard the sound (of an Angel)

New York like a Christmas tree
I said tonight this city belongs to me (Angel)

$\begin{matrix} D & & E & & D \\ \text{Soul loooooove this love won't let me go} \\ D & E & A & D \\ \text{So long...Angel of Harlem} \end{matrix}$

$\begin{matrix} A & D & A & D & A & D \\ / - - & / - + - & / - - & / - + - & / - - & / - + - \end{matrix}$

Birdland on 53
The street sounds like a symphony
We got John Coltrane and a love supreme
Miles and she's got to be an Angel

Lady Day got diamond eyes
She sees the truth behind the lies (Angel)

Chorus

(Angel of Harlem)

Bridge

$\begin{matrix} F\#m & E & D \\ \text{oooh oooh oooh oooh oooh oooh} \\ & F\#m & E & D \\ \text{she sings with heart, heart and soul (-- rest, except drums)} \\ A & D \\ \text{Yeah Yeah} \\ \text{Yeah Yeah ...} \end{matrix}$

Blue light on the avenue
God knows they got to you
An empty glass, the lady sings
Eyes swollen like a bee sting
Blinded you lost your way
On the side streets and the alleyways
Like a star exploding in the night
Filling up the city with broad daylight

$\begin{matrix} D & & E \\ \text{An Angel in Devil's shoes} \\ \text{Salvation in the blues} \\ & D & E \\ \text{You never looked like an Angel - Yeah Yeah} \\ A & D \\ \text{Angel of Harlem} \end{matrix}$

$\begin{matrix} A & D & A & D & A & D \\ / - - & / - + - & / - - & / - + - & / - - & / - + - \end{matrix}$

Angel, Angel of Harlem

Repeat 4 times and fade
