

# BEAUTIFUL THING

Sister Hazel

Well I'll follow you wherever  
When you lead me by my nose  
On another big adventure, I suppose.  
Then you lay me down in clover  
With their petals on my back  
I should make some time  
To do more things like that

Won't you sing to me your poetry  
Won't you take me to your home  
Won't you be for me forever  
So I'll never be alone  
And just one thing  
If you're my Queen (a g# f# e)  
It's a beautiful Thing - Yeah Yeah (la la la la la la)  
It's a beautiful Thing - Yeah Yeah Yeahee- Yeah

Well I'm buried in my bedroom  
under 14 feet of clothes  
I could drown in all this clutter, I suppose  
When you're standing in my doorway  
with a suitcase on your back  
Yeah it blows my mind  
when you do things like that

## Chorus

...  
It's a beautiful Thing - Yeah Yeah (la la la la la la)  
It's a beautiful Thing - Yeah Yeah (la la la la la la)  
It's a beautiful Thing - Yeah Yeah Yeahee- Yeah
