

BEST I'LL EVER BE

Sister Hazel

Capo on 1st fret

Intro

Oh, I miss you, I miss being overwhelmed by you
And I need rescue, I think I'm fading away
But I keep thinking that you'll wake me up with a whisper in my ear
I keep hoping that you'll sneak in my room

So I wait and I wait
And I run old scenes through my tired head
Of the days we laid by the school and said forever
Was that the best I'll ever be

Oh, I miss you
I miss talking all night long with you, yeah
And I need this to find a way to your home
Oh, My love can you hear me
Have I been hoping loud enough, wishing hard enough
Can you see me when I'm asleep all alone - alone

So I wait and I wait
And I run myself in the same old circles
I sit and I stare
And I run old scenes through my tired head
Of the days that we laid by the school and said forever
Was that the best I'll ever be

I Can't keep my hands from shaking
Stumbling through the wreckage again
But you're gone

So I wait and I wait
And I run myself in the same old circles
And I sit and I stare
And I run old scenes through my tired head
Of the days that we laid on our backs and said forever
Oh, was that the best I'll ever be
