

BORN WITH A BROKEN HEART

Kenny Wayne Shepherd/Danny Tate

^A
Up from the ashes, out of the flames
Keeps gettin' stronger, like a slow rollin' train

^D
Watch it run

^A
Oh, why do the good die young

^E
Burnin' like a shootin' star

^A
Born with a broken heart

^A
Off in the distance, it was callin' my name
So I took me a ride, on that slow rollin' train

^D
It still runs

^A
But it seems that the good die young

^E
Playin' on that sad guitar

^A
Born with a broken heart

^E
Burnin' like a shootin' star

^A
Born with a broken heart

guitar solo 2 times on progression

^A
Seems it was over, before it begun
Killed by a bullet, from a six-string gun

^D
Bang a drum

^A
Oh, why do the good die young

^E
Ridin' in a long black car

^A
Born with a broken heart

^E
Playin' on that sad guitar

^A
Born with a broken heart

^E
Burnin' like a shootin' star

^A
Born with a broken heart

break

guitar solo, no more chord changes
