Baby I got your number, oh, and I know that you've got mine
You know that I called you, I called too many times
You can call me baby, you can call me anytime, you got to call me

Chorus

I don't want no-one to squeeze me, they might take away my life
I don't want no-one to squeeze me, they might take away my life
I just want someone to hold me oh, and rock me through the night

Guitar Solo on 1 Verse

Short break

This youthful heart can love you, yes and give you what you need
This youthful heart can love you, oh, and give you what you need
But I'm too old to go chasing you around, wasting my precious energy

Chorus

Baby just give me one reason, oh, give me just one reason why
Baby just give me one reason, oh, give me just one reason why (I should stay)
Said I told you that I love you **break** and there ain't no more to say
