

# I HEARD IT THROUGH THE GRAPEVINE

Creedence Clearwater Revival

*Dm*  
Bet you're wondering how I knew  
*A7* *G*  
'bout you're plans to make me blue  
*Dm*  
with some other guy that you knew before.  
*A7* *G*  
Between the two of us guys you know I love you more.  
*Bm* *G*  
It took me by surprise I must say,  
*Dm* *G*  
when I found out yesterday. Oo

*Dm*  
I heard it through the grapevine  
*G*  
not much longer would you be mine.  
*Dm*  
Oo I heard it through the grapevine,  
*G* *Dm*  
and I'm just about to lose my mind. Honey, honey yeah.

*Dm*  
You know that a man ain't supposed to cry,  
*A7* *G*  
but these tears I can't hold inside.  
*Dm*  
Losin' you would end my life you see,  
*A7* *G*  
cause you mean that much to me.  
*Bm* *G*  
You could have told me yourself  
*Dm* *G*  
that you found someone else. Instead...

*Dm*  
People say believe half of what you see,  
*A7* *G*  
son, and none of what you hear.  
*Dm*  
I can't help bein' confused  
*A7* *G*  
if it's true please tell me dear?  
*Bm* *G*  
Do you plan to let me go  
*Dm* *G*  
for the other guy that you knew before?
