

IN MY LIFE

Lennon, McCartney

Intro: main riff 2x

There are places I'll remember
All my life though some have changed
Some for ever not for better
Some have gone, and some remain.
All these places have their moments
With lovers and friends, I still can recall
Some are dead and some are living
In my life, I've loved them all

Repeat main riff

But of all these friends and lovers
There is no one compared with you
And these memories lose their meaning
When I think of love as something new
Thought I know I'll never lose affection
For people and things that went before
I know I'll often stop and think about them
In my life I'll love you more

Chorus, instrumental up to

Thought I know I'll never lose affection
For people and things that went before
I know I'll often stop and think about them
In my life I'll love you more
In my life I'll love you more
