D G
Calm this storm so the waters still
D Em
and take me back - where my pure love dwells,
D G
and my soul on high. Far from this affliction.
D Em
Far away from this place where I once fell.

C G CG C G CG
Lay me down easy, lay me down easy,
C C/B D Em D
lay me down easy, I'm too tired to roam,
G CG
I'm too tired to roam.

Lost in the darkness, in the shadows I've wandered.
Not a sign of life from where I've strayed.
Break these chains and the bars that surround me,
I'll make true every promise I've made.

Lay me down easy, lay me down easy,
lay me down easy, I'm too tired to roam, I'm too tired to roam.

Bridge

C Em
Covered in my time of sorrow, courage in my time of fear,
C Em D
Peace in my time of turmoil. Relief in my suffering here.

Lay me down easy, lay me down easy,
lay me down easy, I'm too tired to roam,
I'm too tired to roam.

Calm this storm so the waters still
and take me back where my pure love dwells,
and my soul on high. Far from this affliction.
Far away from the place where I had fell.

Lay me down easy, lay me down easy,
lay me down easy, I'm too tired to roam,
I'm too tired to roam.

Lay me down easy, lay me down easy,
lay me down easy, I'm too tired to roam,
I'm too tired to roam.
I'm too tired to roam, and so far from home.
