

LET IT BLEED

M. Jagger/K. Richards

Tempo 122. INTRO:

C Csus C Csus F Fsus F Fsus G Gsus G Gsus C Csus C
++++/++++ /++++/++++ /++++/++++ /++++/++++

Well, we all need someone we could lean on

And if you want to, you can lean on me

Well, we all need someone we can lean on

And if you want to, you can lean on me

She said "my breasts they will always be open

Baby, You can rest your weary head right on me

And there will always be a space in my parking lot

When you need a little coke and sympathy

Yeah, we all need someone we can dream on

And if you want to, you can dream on me

Yeah, we all need someone we can cream on

And if you want to, you can cream on me

I was dreaming of a steel guitar engagement

When you drink my health in scented jasmine tea

And you knifed me in my dirty filthy basement

With that jaded, faded, junky nurse (Oh what pleasant company)

We all need someone we can feed on

And if you want it, well you can feed on me

Take my arm, take my leg

Oh, baby, don't you take my head.

Anyone who likes plays a solo on like 2 times intro

2 times:

Get it on, rider. Get it on, rider

Get it on, rider. You can bleed all over me.

Yeah, We all need someone we can bleed on

And if you want to, you can bleed on me
