B
I've learned from you

A E
There's no such pain as love

Now in the busy streets I walk alone
And I never hear a sound
Distrected by my thoughts of you
With that new love you have found
Like something in a story book
People needed so they made it up
Well it's sad but true
I've learnded from you
There's no such pain as Love

E C#m E
And there's no such pain as love
C#m B A E
No, there's no such paaaaaaaain as love

You won't see a teardrop fall
Or the expression while my heart breaks
I'll just turn around in the crowd
To see you everyplace
No I won't give my heart away
Again to anyone
Well it's sad but true
I've learned from you
There's no such pain as love

E C#m E
And there's no such pain as love
C#m B A E
No, there's no such paaaaaaaain as love
