

SEE YOU LATER ALLIGATOR

Robert Charles Guidry

When I saw my baby walking^{Eb}
with another man today
When I saw my baby walking^{Ab}
with another man today^{Eb}
When I asked her whatâ s the matter,^{Bb}
this is what I heard her say:^{Eb}

See you later alligator,^{Eb}
in a while crocodile
See you later alligator,^{Ab}
after while crocodile^{Eb}
Canâ t you see youâ re in my way now^{Bb}
Donâ t you know you cramp my style^{Eb}

When I pondered what she told me,^{Eb}
nearly made me lose my head
When I pondered what she told me,^{Ab}
nearly made me lose my head^{Eb}
But the next time that I saw her^{Bb}
reminded her of what she said^{Eb}

See you later alligator,^{Eb}
after while crocodile
See you later alligator,^{Ab}
after while crocodile^{Eb}
Canâ t you see youâ re in my way now^{Bb}
Donâ t you know you cramp my style^{Eb}

She said, Iâ m sorry pretty daddy,^{Eb}
you knew my love is just for you
She said, Iâ m sorry pretty daddy,^{Ab}
you knew my love is just for you^{Eb}
Wonâ t you say that youâ ll forgive me^{Bb}
and say your love for me is true^{Eb}

I said, wait a minute gator,^{Eb}
I know you meant it just for play
I said, wait a minute gator,^{Ab}

I know you meant it just for ^{Eb}play
 Donâ t you know you really ^{Bb}hurt me,
 this is what I have to ^{Eb}say

See you later alligator, ^{Eb}
 after while crocodile
 See you later alligator, ^{Ab}
 after while crocodile ^{Eb}
 Canâ t you see youâ re in my ^{Bb}way now
 Donâ t you know you ^{Eb}cramp my style

See you later alligator, ^{Eb}
 after while crocodile
 See you later alligator, ^{Ab}
 so long , that's all , ^{Ab} ^B ^{Db}goodby
