They burned down the gambling house
it died with an awful sound
A funky claude was running in and out
it was - pulling kids out the ground
When it all was over
we had to find another place
But Swiss time was running out
it seemed that we would lose the race

We ended up at the Grand Hotel
it was empty cold and bare
But with the rolling truck stones thing just outside
making our music there
With a few red lights and a few old beds
we made a place to sweat
No matter what, we get out of this
I know, I know well never forget
