Drop your reds drop your greens an blues

Thank you for your wine California
Thank you for your sweet and bitter fruits
Yes I got the desert in my toe-nail. Aha
And I hid the speed inside my shoes

(Now want you) Come on, come on down, Sweet Virginia
Come on, come on down, I beg you
Come on, come on down, you got it in you, Oh yeah
Got to scrape that shit right off your shoes

Sax solo over one complete verse

2 times:

(Now want you) Come on, come on down, Sweet Virginia
Come on, come on down, I beg you
Come on, come on down, you got it in you, Oh yeah
Got to scrape that shit right off your shoes
