

TULSA TIME

Danny Flowers

Intro

/
I left Oklahoma driving in a Pontiac
Just about to lose my mind^{V7}
I was going on to Arizona, maybe on to California
Where all the people live so fine
My baby said I was crazy, my momma called me lazy
I was going to show 'em all this time^{V7}
'Cause you know I ain't no fool an' I don't need no more schooling
I was born to just walk the line

/
Living on Tulsa time^{V7}
Living on Tulsa time
Well you know I've been through it
When I set my watch back to it
Living on Tulsa time

Guitar solo, chords as in chorus

Well there I was in Hollywood wishing I was doing good
Talking on the telephone line
But they don't need me in the movies and nobody sings my songs
Guess I'm just wasting time
Well then I got to thinking, man I'm really sinking
And I really had a flash this time
I had no business leaving and nobody would be grieving
If I went on back to Tulsa time

Chorus
