On a golden autumm day returning

When I'm waiting on, waiting game
Bb *Eb* *Bb* *F*
When I'm waiting on, waiting game

There must be reason for all this inaction
Does it mean that everything must change

There is a presence deep within you
Sometimes they call it higher flame
And the leaves come tumbling down, remember
I'll be waiting on, waiting game
I'll be waiting on, waiting game

There is a presence deep within you
Some people call it higher power in flame
When the leaves come tumbling down, remember
I'll be waiting on, waiting game
I'll be waiting on, waiting game.....
