

# WHERE THE STREETS HAVE NO NAME

U2, Bono

## Intro

I want to run, I want to hide  
I want to tear down the walls that hold me inside  
I want to reach out and touch the flame  
Where the streets have no name

I want to feel, sunlight on my face  
See that dust cloud disappear without a trace  
I want to take shelter from the poison rain  
Where the streets have no name

## chorus

Where the streets have no name  
Where the streets have no name  
We're still building  
Then burning down love - burning down love  
And when I go there, I go there with you...  
It's all I can do

The city's a flood and our love turns to rust  
We're beaten and blown by the wind - Trampled in dust  
I'll show you a place high on the desert plain  
Where the streets have no name

## chorus

Our love turns to rust  
And we're beaten and blown by the wind  
Blown by the wind  
Oh and I see love  
See our love turn to rust  
And we're beaten and blown by the wind  
Blown by the wind  
Oh when I go there, I go there with you  
It's all I can do
