D *Asus4* *Bm7*
See the stone set in your eyes,
Gsus *D*
See the thorn twist in your side
A *Bm* *G*
I wait for you

Sleight of hand and twist of fate
On a bed of nails she makes me wait
And I wait....without you

With or without you
With or without you

Through the storm we reach the shore
You give it all but I want more
And I'm waiting for you

With or without you, with or without you aha
I can't live with or without you

one chorus, guitar lick at the end

And you give yourself away
And you give yourself away
And you give
And you give
And you give yourself away

My hands are tied
My body bruised, she's got me with
Nothing to win and
Nothing left to lose

And you give yourself away
And you give yourself away
And you give
And you give
And you give yourself away

With or without you
With or without you ohh
I can't live
With or without you

Ohhhh ohhh ohhh....

With or without you
With or without you ohh
I can't live
With or without you
With or without you
