Ohh

## Main riff

          A          D  A  
There she stood in the street  
Dadd4          D          A  
Smiling from her head to her feet,  
          A          D  A  
I said "Hey, what is this?"  
                  Dadd4  D          A  
Now baby, maybe she's in need of a kiss.

I said Hey, what's your name, baby,  
maybe we can see things the same.  
Now don't you wait or hesitate,  
Let's move before they raise the parking rate.

A          G          D          A  
All right now Baby, it's all right now  
A          G          D          A  
All right now Baby, it's all right now

## Main riff

I took her home to my place  
Watching ev'ry move on her face,  
She said "Look, what's your game baby  
are you tryin' to put in shame"?

I said "slow, don't go so fast,  
don't you think that love can last?"  
She said "Love, Lord above  
now you're tryin' to trick me in love."
