It was a cold and wet December day  
When we touched down at JFK  
Snow was melting on the ground  
On BLS I heard the sound (of an Angel)

New York like a Christmas tree  
I said tonight this city belongs to me (Angel)

*D E D*  
Soul loooooove this love won't let me go  
*D E A D*  
So long...Angel of Harlem

Birdland on 53  
The street sounds like a symphony  
We got John Coltrane and a love supreme  
Miles and she's got to be an Angel

Lady Day got diamond eyes  
She sees the truth behind the lies (Angel)

## Chorus

(Angel of Harlem)

## Bridge

*F#m E D*  
ooh ooh ooh ooh ooh ooh

*F#m E D*  
she sings with heart, soul and soul (-- rest, except drums)  
*A D*  
Yeah Yeah  
Yeah Yeah ...

Blue light on the avenue  
God knows they got to you  
An empty glass, the lady sings  
Eyes swollen like a bee sting  
Blinded you lost your way  
On the side streets and the alleyways  
Like a star exploding in the night  
Filling up the city with broad daylight

*D E*  
An Angel in Devil's shoes  
Salvation in the blues  
*D E*  
You never looked like an Angel - Yeah Yeah  
*A D*
