

BEAUTIFUL THING

Sister Hazel

C#m *G#m*
Well I'll follow you wherever
A *E*
When you lead me by my nose
A *E* *B*
On another big adventure, I suppose.
C#m *G#m*
Then you lay me down in clover
A *E*
With their petals on my back
A
I should make some time
B *E*
To do more things like that

B
Won't you sing to me your poetry
A *E*
Won't you take me to your home
B
Won't you be for me forever
A *E*
So I'll never be alone
F#m
And just one thing
A
If you're my Queen (a g# f# e)
E *B* *F#m*
It's a beautiful Thing - Yeah Yeah (la la la la la la)
A *E* *B* *F#m* *A*
It's a beautiful Thing - Yeah Yeah Yeahee- Yeah _____

Well I'm buried in my bedroom
under 14 feet of clothes
I could drown in all this clutter, I suppose
When you're standing in my doorway
with a suitcase on your back
Yeah it blows my mind
when you do things like that

Chorus

A *E* *B* *F#m*
It's a beautiful Thing - Yeah Yeah (la la la la la la)
A *E* *B* *F#m*
It's a beautiful Thing - Yeah Yeah (la la la la la la)

It's a beautiful Thing - Yeah Yeah Yeahee- Yeah
