Ebm
Nobody on the road - nobody on the beach

B
- I feel it in the air - the summer's out of reach

C#
Empty lake, empty streets, the sun goes down alone

B
- I'm drivin' by your house - though I know, you're not home

F# *C#*
But I can see you, - your brown skin shinin' in the sun

B
You got your hair combed back and - sunglasses on, baby

F# *C#*
I can tell you my love for you will still be strong

B
After the boys of summer have gone

I never will forget those nights, I wonder if it was a dream
Remember how you made me crazy, remember how I made you scream
- Now I don't understand what happened to our love
But babe, I'm gonna get you back, I'm gonna show you - what I'm made of

I can see you, your brown skin shinin' in the sun
I see you walkin' real slow - smilin' for everyone
I can tell you my love for you will still be strong
After the boys of summer have gone

First 2 Bars, drums and guitar alone, then keyboard comes in.

Out on the road today, I saw a Dead Head sticker on a Cadillac
A little voice inside my head said don't look back, you can never look back
I thought I knew what love was, what did I know
Those days are gone forever, I should just let them go but

I can see you, your brown skin shinin' in the sun
You got that top pulled down and (that) radio on, baby
(And) I can tell you my love for you will still be strong
After the boys of summer have gone

I can see you, your brown skin shinin' in the sun
You got your hair slicked back and those - Wayfarers on, baby
I can tell you my love for you will still be strong
After the boys of summer have gone

schluss wie refrain.
