CRY SKY

Tommy Shannon, S. Doster, Chris Layton
Double Trouble - Been A Long Time (2001)

intro, like verse
```
C                    F
```

```
C
```
Cry sky please let your tears fall on me
Wash me, heal me, help me feel clean
```
                            F
```
I'd lost many things I've always loved
```
      C
```
Cry sky

```
G           F           C
```
Something I don't understand
```
G       F           C
```
If this is part of your plan
```
Am     F       C           G
```
   Just let your big waters fall
```
Am     F       C           G
```
   'Til I make sense of it all
```
      F    Bb
```
Cry sky,
```
      F    Bb C
```
Cry sky

```
C
```
My heart has grown heavy with pain
This world won't ever be the same
Mercy, if you know my name
```
          F
```
Give me a sign
```
      C
```
Cry sky

```
G           F           C
```
Something I don't understand
```
G       F           C
```
If this is part of your plan

```
Am     F       C           G
```
   Just let your big waters fall
```
Am     F       C           G
```
   'Til I make sense of it all
```
      F    Bb
```
Cry sky,
```
      F    Bb
```
Cry sky
```
      F    Bb
```
Cry sky

guitar solo
```
A    Bb A  Bb F
```

```
G           F           C
```
Something I don't understand
```
G       F           C
```
If this is part of your plan
```
Am     F       C           G
```
   Just let your big waters fall
```
Am     F       C           G
```
   'Til I make sense of it all
```
      F
```
Cry sky,
```
          C7
```
Oh cry sky

guitar solo
```
C7
```

Am
