God knows why you don't want me  
No one would do the things I do  
But to my grave it's gonna haunt me  
How I got down on my knees for you  
You are my obsession  
And the reason that I live  
You already got my soul  
There's nothin left to give

*Eb* *Bb*  
But I don't wanna talk about it now

The devil is deep water baby  
And i'm in way over my head  
But i'd be drawn and quartered  
If I could keep you in my bed  
I can't break this spell  
I know the trouble that i'm in  
but if I got out of the mouth of hell  
I'd walk right back again
