HELP

Lennon/McCartney

```
Bm      Bm       Bm/A
Help! I need somebody
G          G    G/F#
Help! Not just anybody
E
Help! You know I need someone,
A
Help!
```

```
A                        C#m
  When I was younger, so much younger than today,
F#m              D    G    A
  I never needed anybody's help in any way.
                   C#m
But now those days are gone I'm not so self-assured,
F#m                          D    G      A
  Now I find I've changed my mind, I've opened up the door.
```

```
Bm                          Bm Bm/A G              G G/F#
Help me if you can I'm feeling down,     and I do appreciate you being 'round.
E                                      A
Help me get my feet back on the ground, won't you please please help me.
```

```
A                        C#m
  And now my life has changed in oh so many ways,
F#m                D    G    A
  My independence seemed to vanish in the haze.
                 C#m
But every now and then I feel so insecure,
F#m                       D    G    A
  I know that I just need you like I've never done before.
```
