

I'D LOVE YOU TO WANT ME

Kent Lavoie (Lobo)

Bb
When I saw you standing there
I about fell off my chair *Cm*
When you moved your mouth to speak *Eb F*
I felt the blood go to my feet *Bb*

Now it took time for me to know *Bb*
What you tried so not to show *Cm*
Something in my soul just cried *Eb F*
I see the want in your blue eyes *Bb*

Bb Cm
Baby, I'd love you to want me
The way that I want you *Eb*
The way that it should be *Bb*
Baby, you'd love me to want you *Bb Cm*
The way that I want to *Eb*
If you'd only let it be *F Bb*

You told yourself years ago
You'd never let your feelings show
The obligation that you made
For the title that they gave
