Bm G
his hurt will hurt no more.
D A
I'll be home - love.

When the night takes a deep breath
and the daylight has no air.
If I crawl, if I come crawlin' home,
will you - be there?

In a little while
I won't be blown by every breeze;
Friday night running to sunday on my knees.
That girl, that girl! she's mine.
Well, I've known her since,
since she was
a little girl with Spanish eyes.
Oh, when I saw her - in a pram they pushed her by.
Ooh, my how you've grown.
Well it's been - hey, it's been a little while
