Get back on your feet again, D Dsus2

So insincere, A

Quiet American, Asus4

I held you so dear, G

Get back on your feet again, D Dsus2

I'm so into you, A

We met in a cinema, Asus4

You fell from my view, G

Lullaby, D G

Stop twisting my words tonight, D G

If you get high on life, C G

Don't leave me behind, C D

Get back on your feet again,
Nothing to say,
Some of your weaker friends,
Get in my away,

Get back on your feet again,
You always seem down,

Some of your weaker friends,
Don't want you around,

Lullaby,
Stop twisting my words tonight,
If you get high on life,
Don't leave me behind,

Lullaby,
You live in my ruined mind,
Make light of all my fears,
And lead me from here,

bridge.
