C

To let the horses roam free

G

Playing with the fire

E D
Until the fire played with me hmmm

The stone was semi-precious

We were barely conscious

Two souls too smart to be

In the realm of certainty

Even on our wedding day

We set ourselves on fire

Oh God, do not deny her

It's not if I believe in love

If love believes in me

Oh, believe in me

At the moment of surrender

F C
I folded to my knees

Am G
I did not notice the passers-by
F
And they did not notice me

I've been in every black hole
At the altar of the dark star
My body's now a begging bowl
That's begging to get back, begging to get back
To my heart
To the rhythm of my soul
To the rhythm of my unconsciousness
To the rhythm that yearns
To be released from control

I was punching in the numbers at the ATM machine
I could see in the reflection
A face staring back at me
At the moment of surrender
Of vision over visibility
I did not notice the passers-by
And they did not notice me

guitar and keyboard solo

I was speeding on the subway
Through the stations of the cross
Every eye looking every other way
Counting down 'til the train would stop

At the moment of surrender
Of vision of over visibility
I did not notice the passers-by
And they did not notice me

Oh Oh Oh over:
