

SEE YOU LATER ALLIGATOR

Robert Charles Guidry

When I saw my baby walking
with another man today

When I saw my baby walking
with another man today

When I asked her what's the matter,
this is what I heard her say:

See you later alligator,
in a while crocodile

See you later alligator,
after while crocodile

Can't you see you're in my way now

Don't you know you cramp my style

When I pondered what she told me,
nearly made me lose my head

When I pondered what she told me,
nearly made me lose my head

But the next time that I saw her
reminded her of what she said

See you later alligator,
after while crocodile

See you later alligator,
after while crocodile

Can't you see you're in my way now
Don't you know you cramp my style

Solo

She said, I'm sorry pretty daddy,
you knew my love is just for you

She said, I'm sorry pretty daddy,
you knew my love is just for you

Won't you say that you'll forgive me
and say your love for me is true

I said, wait a minute gator,
I know you meant it just for play

I said, wait a minute gator,
I know you meant it just for play

Don't you know you really hurt me,
this is what I have to say

See you later alligator,
after while crocodile

See you later alligator,
after while crocodile

Canâ t you see youâ re in my way now *Bb*
 Donâ t you know you cramp my style *Eb*

See you later alligator, *Eb*
 after while crocodile

See you later alligator, *Ab*
 so long , that's all , goodbye *Ab Bb Db*
