C
She just wept,
Am
Like I could not ignore,
Cmaj7
How can I act,
Am
When my heart's on the floor?

C
She just wept,
Am
'Til her eyes became sore
Cmaj7
I knew who she was,
Am
But I don't anymore,
C *Am*
Ohhhh ohhhh
C *Am*
Ohhhh ohhhh

She just cried,
To the ruins of time,
That kept us apart,
We were doing just fine,
She just wept,
She was put to the test,
Those that she loved,
She had learned to detest,

C
Daddy I've got nothing left,
Am
My life is good,
My love's a mess,
C
Daddy I've got nothing left,

Am
What can I do that's for the best?

Cmaj7
Daddy I've got nothing left,

Am
My life is good,
My love's a mess,

Cmaj7
Daddy I've got nothing left,

Am
What can I do that's for the best?
