And this thing they call our time
I heard a brilliant woman say
She said you know it's crazy
How I want to capture mine
I think I love this woman's way
I think I love this woman's --

Way she shimmers, the way she shines
The way she radiates
The way she lives, the way she loves
The way she never hates

To keep these demons off my back

Cause I want to shimmer, I want to shine
I want to radiate
I want to live, I want to love
I want to try to learn not to hate
Try not to hate

We're born to shimmer

We're born to radiate
We're born to live, we're born to love
We're born to never hate
