

SONG TO THE SIREN

Tim Buckley

As performed in "The Monkees" TV show

Capo 2nd fret, so it's actually in E

Intro

D Cadd9 G/B
/++++ /++++ /++++

D A
Long afloat on shipless oceans
G Bm
I did all my best to smile
D A
'Til your singing eyes and fingers
G Bm
Drew me loving to your isle
D Cadd9
And you sang "Sail to me,
G/B D
sail to me let me enfold you
Bm A G
Here I am, here I am, waiting to hold you"

Repeat Intro

D A
Did I dream you dreamed about me?
G Bm
Were you hare when I was fox?
D A
Now my foolish boat is leaning
G Bm
Broken lovelorn on your rocks
D Cadd9
For you sing "Touch me not,
G/B D
touch me not, come back tomorrow
Bm A G
Oh my heart, oh my heart, shies from the sorrow"

Repeat Intro

D A
I am puzzled, as the oyster.
G Bm
I am troubled, as the tide.
D A
Should I stand amid your breakers.
G Bm
Or should I lie with death my bride
D Cadd9
Hear me sing, "Swim to me,
G/B D
swim to me, let me enfold you
Bm A G
Here I am, here I am, waiting to hold you"
