

WHERE THE STREETS HAVE NO NAME

U2, Bono

Intro

I want to run, I want to hide
I want to tear down the walls that hold me inside
I want to reach out and touch the flame
Where the streets have no name
I want to feel, sunlight on my face
See that dust cloud disappear without a trace
I want to take shelter from the poison rain
Where the streets have no name

chorus

Where the streets have no name
Where the streets have no name
We're still building
Then burning down love - burning down love
And when I go there, I go there with you...
It's all I can do

The city's a flood and our love turns to rust
We're beaten and blown by the wind - Trampled in dust
I'll show you a place high on the desert plain
Where the streets have no name

chorus

Our love turns to rust
And we're beaten and blown by the wind
Blown by the wind
Oh and I see love
See our love turn to rust
And we're beaten and blown by the wind
Blown by the wind
Oh when I go there, I go there with you
It's all I can do
